

# Armageddon, Yourmageddon

**By David Rubinson**

*“There can be little doubt that he envisages the global war on terror as a crusade. With the Geneva conventions apparently suspended, international law is supplanted by biblical law. Boykin is in God’s chain of command. President Bush, he told an Oregon congregation last June, is “a man who prays in the Oval Office”. And the president, too, is on a divine mission. “George Bush was not elected by a majority of the voters in the US. He was appointed by God.”*

**M**aybe you all remember the charming and delightful General William Boykin ? He of the MyGodIsBetterThanYourGod speech? Written off as some kinda nut, sent home from camp with no dessert, bad boy, seeyalatta.

We thought we had gotten rid of him. Can you guess where he’s been hiding, and what he’s been doing ?

One guess.

Here’s a hint: the initials are A G, and it has bars, hoods, electrodes and piles of naked people.

Can’t guess ?

OK. It’s ABU GHRAIB ! Haha that’s a toughie.

Yes, that very same Gen. Boykin of the MGIPTYG speech – turns out to be:

1. The second in command to Stephen Cambone, Rummy’s BOY, UnderSec of Defense Intelligence, the Brylcreem Kid with the stench of horseshit all over him, who conned the 9-11 commission at last week’s hearings like a freak show barker in Coney Island.

2. A good ole pal of the Man from X-RAY, General Geoffrey Miller. Yes the dude who did such a good job BergenBelsenizing Guantanamo,(“GITMO”) that Rummy had Boykin send him to Iraq.

3. The man in CHARGE of “GITMOIZING” the Iraqi Prisons. You know – Lynndie England’s boss.

As Casey said: Ya couldn't make this stuff up.

Boykin's resume sounds like a Monopoly Set for Christian Zionist CIA Special Ops. Here's his credits:

Elite Delta Forces, commander of botched rescue of US hostages in Iran, tracker of drug lord Pablo Escobar in Colombia, adviser at the gas attack on barricaded cultists at Waco, Texas, and commander who lost 18 men in Somalia trying to capture a warlord in the notorious Black Hawk Down fiasco of 1993.

Iran, Colombia, Waco, Somalia.

Guantanamo.

Abu Ghraib.

Do not pass God, do not collect 500 million barrels.

In his spare time, just as a hobby, what Rush would call "letting off some steam, chuckle chuckle," Boykin worked with the "Faith Force Multiplier" that advocates applying military principles to evangelism.

Look, I know you think I'm dreaming this up. It's some Larouchian blubbersnorting.

It ain't.

Annnnnnnnd – it's just the tip of the Christberg.

*In a previous life, David Rubinson was a well known record producer, artists manager and producer of film scores, but has always been a troublemaker. He first marched with Jackie Robinson, A. Phillip Randolph and Bayard Rustin, and he thought that when we finally put Nixon on that copter from the White House lawn, he wouldn't have to march again. He was wrong.*
