

My Dog

By Albert
Lard Tonisun
(Aged 8 years
and 3 months)

My dog's better than your dog
He's handsome, big and tough
He doesn't like little girls or strangers
He treats them all real rough...

My dog's better than your dog
He's full of life and energy
He loves to dash around a lot
And he eats sausages for tea . . .

My dog's better than your dog
He likes to dress in style
Just show him the latest fashion
And that boy just goes wild...

My dog's better than your dog
He plays with silly toys
He rips them into pieces
And then blames little boys . . .

My dog's better than your dog
He's a soccer fan at heart
He supports the Blues of Chelsea
And says Ronaldo is a fart . . .

My dog's better than your dog
BUT sometimes he's sad and glum
Then like guys the world over
He cuddles up to his Mom
